

Haylemikael Gurba Goshe

Nationality: Ethiopian **Date of birth:** 22/11/2003 **Place of birth:** Gendawuha city, West Gondar zone , Ethiopia **Gender:** Male **Phone:** ☎ (+251) 974543871 (Mobile) 🏠 (+251) 951730359 (Home) ✉ **Email address:** haylemikaelgurba2003@gmail.com 📱 **Whatsapp Messenger:** +251974543871 📠 **Telegram :** https://t.me/Dear_mom6 🌐 **Website:** <https://haylemikael-portfolio.vercel.app/>

ABOUT ME

I have developed a strong foundation in computer science, with practical experience in software development, algorithms, databases, computer systems, and networking. Through academic projects and practical training, I have worked on Java desktop applications, full-stack web systems, and IT infrastructure, including network configuration, system maintenance, troubleshooting, and technical support. I enjoy applying problem-solving and programming skills to build practical software solutions and understand how computing systems work as a whole. I am now seeking opportunities to further develop my technical skills through postgraduate study and professional experience in an international environment.

EDUCATION & TRAINING

Bsc in Computer Science

Arba Minch University [10/10/2022 - 15/06/2026]

City: Gondar, Ethiopia | **Country:** Ethiopia

Level in EQF: 6

I developed a strong foundation in Computer Science, covering programming, data structures and algorithms, database management systems, software engineering, object-oriented programming, computer networks, operating systems, web development, computer graphics, artificial intelligence, knowledge representation and reasoning, design and analysis of algorithms, automata theory, compiler fundamentals, distributed systems, computer architecture, information systems, and computer security. Throughout my academic journey, I strengthened my skills in software development, database design, network configuration and maintenance, system analysis and design, problem-solving, debugging, teamwork, project management, and adapting to new technologies through practical coursework, projects, and professional training.

WORK EXPERIENCE

Commerical Bank Of Ethiopia - Ethiopia, Gondar

Business or sector Financial and insurance activities | **Department:** IT & Network Managements | **Email:** cbecontactcenter@cbe.com.et | **Website:** cbe.com.et

IT trainer

[08/07/2025 - 09/09/2025]

- Assisted with **operating system troubleshooting**, including Windows installation, upgrading, OS repair, and driver-related issues.
- Performed **remote troubleshooting and software installation** on branch computers using Remote Desktop Protocol (RDP).
- Participated in **router troubleshooting and configuration** using PuTTY, diagnostic commands, and network connectivity testing.
- Installed and terminated **CAT6/UTP network cables**, including RJ45 crimping, keystone/patch-panel termination, and cable testing.

- Gained practical experience in **VLANs, subnetting, printer/network sharing, and Wi-Fi configuration** within a banking IT environment.

SKILLS

Microsoft Office | Microsoft Word | Microsoft Excel | Microsoft Powerpoint | Google Drive | Google Docs | Good listener and communicator | Team-work oriented | Motivated | Social Media | Internet user | Organizational and planning skills | Zoom | Outlook | Instagram | LinkedIn | Decision-making | Responsibility | Presenting | WhatsApp | Written and Verbal skills | Gmail | Twitter | Excellent writing and verbal communication skills | Good time management | Flexibility | Research and analytical skills | Strategic Planning | Analytical skills | Power Point | Teamwork | Detail-Oriented | Reliability | positive thinking | Problem-solving | Excellent organizational planning and solving problems in short time | Empathic listener | Ability to Work Under Pressure | Active listening | leadership | flexible | Critical thinking | Friendly | Communications | Good at being proactive and efficient in high stress situations

LANGUAGE SKILLS

English

LISTENING: B1 **READING:** B1 **WRITING:** B1

SPOKEN PRODUCTION: A2

SPOKEN INTERACTION: A2

PROJECTS

[12/11/2025 - 21/01/2026]

Election Control & Management System (ECMS) Developed ECMS (Election Control & Management System) as a 3rd-year university web development project from November 2025 to January 2026. Designed and implemented a secure, transparent web-based voting platform featuring user registration, OTP email verification, role-based access control, candidate management, secure voting, audit trails, and automated election result aggregation. Built a responsive interface with separate workflows for SuperAdmin, Admin, and Voter roles.

Links: <https://ecms-delta.vercel.app/> | <https://github.com/hlmegnaw/ECMS-FullStack>

[12/03/2025 - 21/05/2025]

Vital Event Registration System (VERS) We developed the Vital Event Registration System (VERS) as a group academic full-stack web development project from March to May 2025. Designed and implemented a centralized system for registering and managing vital events, including births, deaths, marriages, divorces, and adoptions. Implemented role-based authentication, CRUD operations, administrative dashboards, record search and reporting, and relational database management. Built a responsive web interface using PHP, MySQL, JavaScript, HTML, and CSS, and deployed the application from a local XAMPP environment to a public hosting platform.

[03/02/2025 - 09/03/2025]

- Developed a 3D interactive demonstration of the Arba Minch University campus as a third-year Computer Science practice project.
- Built the project using **C++ and OpenGL** to apply concepts learned in computer graphics and programming.
- Created and arranged 3D models of campus buildings, roads, gates, trees, water features, and other campus elements.
- Implemented camera movement and basic animated elements to create an interactive walkthrough of the campus.
- Practiced **3D modeling, geometric transformations, scene composition, animation, and interactive navigation** through hands-on development.

RECOMMENDATIONS

Name: Asistance Professor Alemseged Kassahun | lecturer, Faculty of Computing and Software Engineering, Arba Minch Institute of Technology

Lecturer who taught me Data Communication and Networking at Arba Minch University. He recommends me for academic or professional opportunities, highlighting my strong academic performance, analytical and critical-thinking skills, problem-solving abilities, teamwork, communication, organizational skills, leadership, and dedication to academic excellence.

Email: alemseged.kassahun@amu.edu.et | **Phone:** +251 912059306

Name: Anteneh Tilahun M. | Lecturer, Internship & Final Year Project Coordinator, Software Engineering Chair Head

Recommendation letter from Mr. Anteneh Tilahun M., MSc in Computer Science and Lecturer at Arba Minch University, highlighting my academic understanding of Artificial Intelligence, final-year project work, internship experience at Commercial Bank of Ethiopia, teamwork, dedication, and potential for further academic and professional opportunities. Write here the description

Email: anteneh.tilahunn@amu.edu.et | **Phone:** +251 468814421

Name: Yitayish Lema | Lecturer, Faculty of Computing and Software Engineering

Recommendation letter from Yitayish Lema, Lecturer at Arba Minch University, highlighting my academic performance in Automata and Complexity Theory and Design and Analysis of Algorithms, including my ability to understand complex theoretical concepts, design and analyze algorithms, solve practical problems, and work effectively in teams. The letter recommends me for future academic, scholarship, and professional opportunities.

Email: yitulema@gmail.com | **Phone:** +251 941988731

Name: Tagel Wogayehu | Lecturer, Faculty of Computing and Software Engineering, Arba Minch Institute of Technology

Recommendation letter from Tagel Wogayehu Zara (MSc), Lecturer at Arba Minch University, highlighting my competence in Network and System Administration, communication and leadership skills, teamwork, independent working ability, and ability to apply technical knowledge to academic and professional challenges. The letter recommends me for further study and professional opportunities.

Email: tagel.wogayehu@amu.edu.et | **Phone:** +251 468814421

CERTIFICATIONS

[Arba Minch University, 25/06/2026]

Bachelor of Science Degree in Computer Science Graduated with a Bachelor of Science degree in Computer Science from Arba Minch University on 25 June 2026, with a cumulative GPA of 3.54/4.00. Also achieved an average score of 58.00% in the National Exit Examination.

Mode of Learning: Presential

OTHER

[15/11/2024 - 28/11/2024]

M-Academy Training: Gig-101 – Business, Legal and Finance

Completed online training covering business, legal and financial aspects of gig work through the M-Academy Gig-101 training program, provided by the Mesirat program.
